

A TOTALED CAR IS NOT A TOTAL LOSS
When You Have
GAP Advantage with
PowerBuy™

The purchase of GAP Advantage with PowerBuy is voluntary and cannot be required as a condition of loan approval. GAP Advantage with PowerBuy is a loan deficiency waiver and is not offered as insurance coverage in most states. This brochure is not a contract and the contents are limited by its size. It only provides a general summary of plan options that are available. Be sure to read your specific contract, as all benefits are subject to the terms and conditions of that contract. Skipped or missed payments, late charges, refundable service warranty contracts, other insurance-related products, and interest charged after the date of loss will be deducted from the settlement. Loans originated within one year are eligible for GAP Advantage with PowerBuy. Certain exclusions may apply.

Will Your Insurance Cover Your Auto Loan in the Event of a Total Loss or Theft?

Probably not. In most cases, your insurance will fall short of covering the full balance of your auto loan at the time of loss, leaving a substantial amount of the loan balance for you to cover.

GAP Advantage with PowerBuy can pay up to the remaining balance of your auto loan after an insurance payout and provide you with additional funds to finance your next vehicle with us.
